## **EXERCISE 1**

## What I Sincerely Want

I sincerely want to be a person who:
I sincerely want to have:
I sincerely want to experience:
I sincerely want to accomplish:
EXERCISE 2
Which choice takes me closer to my dreams and priorities?
Which choice will interfere with reaching my dreams and priorities (even if it feels like a typically "good" choice)?
Which choice would I advise to someone I love who has the same set of circumstances as I do?
What do I need to do to put my choice into action?
